Styles Well Worth Seeing

Advance Fall Display Wide In Its Scope

OUR reputation for perfection in Women's Fashionable Apparel is fully upheld in our present advance display. Our showing surpasses anything to be seen locally. Of course, this is only an initial showing of the Foremost Fashions of America. The garments selected personally by our Mr. Coblentz, while in Paris, will be here a little later.

A Woman Can Wish for No More Beautiful Garments

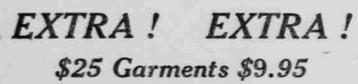

To describe in detail the various beautiful Fall garments to be displayed would be an endless undertaking. We simply make a few suggestions, depending on your interest in correct styles to induce you to come next

The dresses for both street and dress occasions in cloth, chiffon, silk and marquisette are shown in endless variety. The "Hobble Gowns" are in the majority, as this is one of the most favored styles of the new season. Dainty, Dancing Frocks are also a big item in the showing for next week. Tailored Suits in the to be popular bair line striped worsteds and mannish weaves will bbe displayed next week in many

models. The Garment Section will surely please you, so come. We want your individual approval of our present showing

In Dress Accessories there will be many things to interest you. In veils especially you will be inferested in seeing the new ideas. Scarfs will be largely worn the coming season. In these we show all the new Persian, Dresden and Duo Tone effects. Our showing

next week includes values up

You will be surprised at this reduction seen in print-when you see the garments you will be still more agreeably surprised. This is our remaining stock of Linen Suits, Linen Dresses and Lingerie Dresses. We want to close these out next week, so make no half way reduction, but go the extreme limit. All are high grade garments and sold in season The Price Next Week \$9.95

REMEMBER OUR NEW LOCATION, 211 TEXAS ST.

We originated in El Paso the idea of selling a stylish, perfectly tailored and perfect fitting suit for \$25. Our manufacturers are instructed to spare no reasonable expense to produce a garment at this price. This season we firmly believe suits at this price will set an entirely new standard in El Paso-even for us. Were we compelled to buy these suits in a limited quantity we would be forced to sell them for at least \$30. Buying the immense number we do enables us to sell them at \$25; give customers a splendid value and at the same time make a profit ourselves. When you

COTTON.

New Orleans Stendy.

New Orleans, La., Aug. 20.—Local cotton futures opened steady and ruled fractionally above the finals of last night. The firmer tone is accounted for by the fact that there has been no real relief in Texas by the general rains. The market is quickly affected by any weather report.

Liverpool Looking Up.

Liverpool, Eng., Aug. 20.—There was a moderate business transacted here with prices for actual cotton steady and sales at 2000 bales made on a basis of three English points higher at 8.29d for American middling, at \$16.58 American values. Imports 3000 bales, Of the sales 1200 bales are American cotton and 200 for speculation and export. Futures opened quiet on range of three to four English points lower and closed quiet.

New York Closed. New York, N. Y., Aug. 20.—No ses-sion of the market was held today.

WOOL

St. Louis Wool. Close. St. Louis, Mo., Aug. 20.—Wool steady. Territory and western mediums, 13@ 23%; fine mediums, 18@20; fine, 14@17.

RAINS ARE GENERAL THROUGHOUT TEXAS

Gatesville Gets Heaviest Rainfall in One Day. Crops Benefited.

Fort Worth, Texas, Aug. 20.-Accord ing to official returns of the United States weather bureau today, Gatesville had three and three fourths inches of rain last night. Abilene, one and three-fourths, Corsicana nearly two inches.

and Brady one inch.
Colorado, Texas, Aug. 20.—A more general rain prevailed over the county vesterday than for two years. In many places the precipitation was in sheets. The crop conditions were improved immeasurably as well as the grass.

RAILROAD REPAIRS ARE COMPLETE AT DALHART.

Dalhart, Texas. Aug. 20.—The work of repairing the damage done by the recent floods in this section is about completed, and the statement was made here this morning that it is expected the Fort Worth & Denver railroad will be enabled to run through trains over

its own line temorrow. The flood swept away a portion of the Canadian river bridge at Tascosa and a large force of men has been at work there. Minor washouts are reported re-paired today. The damage totaled sev-eral thousand dollars and caused a delay

of traffic for several days Ardoln's Big Special Sale Continues tonight. Don't miss it.
